Customer acknowledges that in the event of such a termination, actual damages to Ward Waste would be uncertain and difficult to ascertain, such amount is the best, reasonable and objective estimate of the actual damages to Ward Waste, such amount does not constitute a penalty, and such amount is reasonable under the circumstances. Any amount payable under this paragraph shall be in addition to amounts already owing under this Agreement.

This early termination fee does not include any removal and or restocking fees regarding the equipment. Such removal and or restocking fees shall not exceed five thousand dollars per site.

Title to and liability for any Excluded Waste and any Waste Materials removed by Ward Waste due to overloaded equipment or non-acceptable material shall remain with Customer and shall at no time pass to Ward Waste or its contractors.
